Your paid membership also entitles you to attend WGBA meetings, your business listing on our website, access to all information updates and email bulletins. This application should be completed and returned with payment for membership approval. For your convenience, your membership will be automatically renewed yearly on your anniversary date, unless we are otherwise notified. This entitles you to vote at Annual General Meetings of the Association and stand for nomination to the Board of Directors. If unable to attend an Annual General Meeting, you may appoint a proxy holder to attend, act and vote on your behalf.

We are focused on building your business and making our community a better place to do business in.
